

Camino Real Regional Utility Authority (CRRUA)

Cost of Service Rate Study - Joint Workshop Hosted by CRRUA, City of Sunland Park

A workshop will be held to provide an overview of the proposed cost of service rate-making process for water and wastewater utilities. The study, conducted by Jacobs Engineering Group, aims to align utility rates with the actual cost of service.

Participants will include representatives from:

- CRRUA Board of Directors
- Doña Ana County Board of County Commissioners
- City of Sunland Park City Council

***Please note:** A quorum of the CRRUA Board, the Doña Ana County Board of County Commissioners, the City of Sunland Park City Council, and the City of Sunland Park Planning & Zoning Commissioners may be present. This workshop is for informational purposes only. No official action will be taken. This notice is provided in accordance with the New Mexico Open Meetings Act (NMSA 1978, § 10-15-1 et seq.).*
