FOOTNOTES:

1 The Individual or Family Coverage deductible (as applicable) must be met before benefit payments are made, including for services covered under the drug plan.

2 After a member or family reaches the applicable out-of-pocket limit, BCBSNM pays 100 percent of that member's or family's Preferred Provider or Nonpreferred Provider covered charges, whichever is applicable. Amounts paid under the drug plan are subject to the Preferred Provider limit. Preferred Provider/prescription drug coinsurance and copayment amounts do not cross-apply to the Nonpreferred Provider out-of-pocket limit amount, or vice versa.

3 Initial treatment of a medical emergency is paid at Preferred Provider level. Follow-up treatment and treatment that is not for an emergency is paid at Nonpreferred Provider level.

4 Certain services are not covered if preauthorization is not obtained from BCBSNM. See a Benefit Booklet for a list of services requiring preauthorization.

5 Preauthorization is required for inpatient admissions. Some services, such as transplants, require additional preauthorization. If you do not receive preauthorization for these individually identified procedures and services, benefits for any related admissions will be denied. See a Benefit Booklet for details

6 Rental benefits will not exceed the purchase price of a new unit.

7 Prescription drugs and other items covered only under the drug plan (e.g., diabetic supplies) must be purchased at a pharmacy that participates in the Retail Pharmacy or Mail Order Service programs. (BCBSNM has contracted with a separate program for administration of your drug plan benefits.)

IMPORTANT: Deductible amounts and coinsurance percentages are applied to BCBSNM's covered charges, which may be less than the provider's billed charges. Preferred Providers will not charge you the difference between the covered charge and the billed charge for covered services; Nonpreferred Providers may.

NOTE: BCBSNM provides administrative claims payment services only and does not assume any financial risk or obligation with respect to claims, except as may be specified in the Administrative Services Agreement.

This is a summary only – please refer to the Summary of Benefits and Coverage (SBC) document and Benefit Booklet for more details.
